Security

Please can we remind you not to let other parents through the red doors into the nursery when you go through. This is a breach of our security. They could be anyone, you can not be too careful these days, you do hear some scary

stories. I know it may seem rude but please explain that you can not let them in only staff are allowed to do so and everyone will be reading this so there should not be a problem.

We are also going to redevelop the garden this year, both the babies garden and the older childrens garden. We will keep you informed of our plans.

If anyone has any ideas or are willing to help with any of the above we would love to hear from you.

This Months Topic

This month the topic is Transport, Valentine's Day and Chinese New Year.

Tulip children have already been over to see the diggers over by AB Agri escorted by the Site Foreman who told us that next month there will also be a crane on site.

We are also trying to arrange for a fire engine and police car to visit the nursery as well.
