# January Newsletter 2016

## Happy New Year to you all

We are hoping for a great year in 2016 with raising the funds to purchase the land next to the nursery to extend the garden and redevelop the whole outside area. It is a major undertaking but I hope with your support we can do it.

We have already set up a page on FundWider to raise funds to purchase the materials to build a playhouse for the garden.

It would be great if we could raise £900 towards the cost.

If you can tell all your friends and family about it and share it on facebook to help spread the word that would be great and hopefully they may be feeling generous !

Thank you to those who have already donated. Amount raised so far is £360.00 (It does not display that amount on the page, only donations received through the Fundwider website)

An advance warning to all Parents that the nursery will be closed on 24th March for a Staff Training Day.

## Caterpillars

We visited the soft play centre and had lots of fun using different movements to get around.

This month we are exploring the outdoors and going on a nature walk through the forest. In sensory play we will be exploring different textures of bake beans, foam, gel lentils, cooked/uncooked pasta.

## Bumble Bees

Themes this month are Space and Winter. Looking at planets using IT to find images and information and making rockets with various materials. Please bring in any unwanted recycling for junk modelling. Also counting, comparing sizes and looking at various shapes. Winter we will be looking at different temperature, exploring ice, talking about different weathers in winter, what clothes we need to wear.

## Whiz Kids Uniform

The uniform is ready to purchase for the children. Items available are — polo shirts, sweatshirts, fleece jumpers, cardigans, jackets, rucksacks and drawstring bags all embroidered with the Whiz Kids logo starting from £3.75

Just search for Uniformeasy and type in Whiz Kids, our page will come up for you to purchase any item. Tesco will donate 5% for every item purchased.

## Spiders

This month we are focusing on all different kinds of animals. We are learning about animals which we don't know, their colours and noises they make. We are also focusing on healthy eating, exploring different fruits and trying new ones at snack time.

## Ladybirds

Themes this month are Arctic animals and Antarctic animals, where they live, what they eat, roleplaying talking about Inuits how they survive and build an igloo, making a polar board display exploring different texture practising scissor skills making snowflakes. On Mon 25th and Fri 29th we are having a Show & Tell for children to bring in a special item that is related to our topic.

## Mobile Phones

We are still seeing parents pressing the buzzer to enter the nursery on their mobile phones.

Mobile phone use is not permitted in the nursery.

You are welcome to use the Parent Room to finish your call

## Safe Senders List

Please add [liz@whiz-kids-nursery.co.uk](mailto:liz@whiz-kids-nursery.co.uk) to your safe senders list in your email program because some parents are not receiving their invoices or they are ending up in their junk folder. Thank You.

Share £100 with a friend by recommending them to us. If they sign up and their child starts you both receive £50 either in a All4One voucher or £50 off your invoice.

## Apologies

I must apologise if any of you have emailed me recently and not had a reply. I have changed my computer and upgraded to Windows 10 and Office 365 and in transit I may have lost some emails, I do apologise about that. If you have not had a reply from me, please email me again. Liz 😊

## Weather

Winter has definitely arrived at last so can you all make sure your child has spare warm clothes in their bag and ensure there are wellies available in nursery at all times.

We will be planning different Winter walks and want to make sure your child has the appropriate warm clothing.
